**BUSY LINE VERIFICATION AND BUSY LINE INTERRUPTION SERVICE (cont'd)**

**3. Assisted Call Charges**

***Following rates apply when Ameritech provides OS/DA***

(C)

- a. When the request for Busy Line Verification or Busy Line Interruption Service or both is made on a Sent-Paid basis, as described in 2. preceding, no other Assisted Call charge applies, providing the only operator handling involved is the performance of the Busy Line Verification or Busy Line Interruption procedures or both.
- b. When the calling party requests that the charge for Busy Line Verification and Busy Line Interruption Service be billed to a Calling Card, the appropriate Assisted Call charge applies in addition to the charge for Busy Line Verification and Busy Line Interruption Service.
- c. When the calling part requests that the Company operator complete the call to the desired line, after the line has been cleared through the interruption procedure, all charges normally applicable for an assisted call to the called number apply in addition to the charge for Busy Line Interruption Service.

**4. Application of Charge**

- a. The Busy Line Verification and/or Busy Line Interruption charges apply each time a Company operator verifies a busy line and/or interrupts a call in progress.
- b. The Busy Line Interruption charge applies even though one or the other of the parties interrupted refuses to terminate the conversation in progress.
- c. The Busy Line Interruption charge does not apply if the requesting party identifies to the Company operator that the call is to or from an official Public Emergency Agency, and concerns official business involving such agency.
  - (1) An Official Public Emergency Agency is defined as a government agency which is operated by the federal, state or local government and has the capability and legal authority to provide prompt and direct aid to the public in emergency situations.

**5. Charges**

- a. Busy Line Verification service, each occasion - \$1.60 (I)
- b. Busy Line Interruption service, each occasion - 4.00 (I)
